We have received a number of notifications of up and coming price increases. While we have been working hard with our suppliers to minimise their impact we are unfortunately forced to pass some of these on. These will come into effect as we replenish our stock holding. Your Area Manager or Customer Services Representative will be able to discuss these with you.

Robbins Auto Tops

Manufactured in the USA and imported directly from Robbins Auto Tops, who are a market leader with a renowned reputation based on quality and innovation.

We carry a range of the popular models as stock items and others are available on indent. There is usually a lead time of 2 weeks from placement of order.

Various cloth and vinyl finishes are available, as well as plastic and glass windows to suit various models.

The Robbins on-line catalogue is available to view at robbinsautotopco.com if you would like to see the full range.

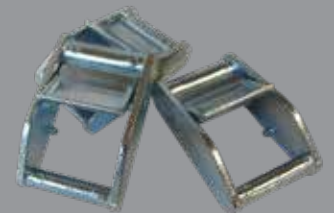

10% off for April on current stock only

A 10% discount will apply to all Robbins Tops sold ex stock during the month of April.

Cambuckle 25mm Cast ZP

Zinc plated cambuckle used to secure 25mm webbing for trailers covers, roof racks and many other light to medium duty applications.
